

## Concentricity testers without stand for vertical and horizontal application 75/550mm 10H7

**Product** 1567201  
**number:**

**EAN /** 4066918060501

**GTIN:**

**Customs** 90318080

**code:**

**Delivery** Parcel delivery service

**method:**

**Weight:** 30kg

Stativ verschiebbar auf  
separater Führungsschiene  
Stand moveable on a  
separate sliding rail

### Product description

- Works standard
- Finely ground measuring faces
- Left side (base) with fixed centre sleeve
- Right tailstock with movable centre sleeve
- Base plate with T-slot

**1567201:** Model without measuring stand

**1567202:** Model with measuring stand, moveable on a separate sliding rail

**Delivered in individual packages, without dial gauge**

#### Application:

- Checking concentricity and wobble
- Usable as base to measure, diameters, steps, length and distance
